

NAVEEN SHAJI GEORGE

Robotics and Automation Engineering Student

+91 8137917815 | naveensg.rbbb2226@saintgits.org

PROFILE

As a third-year Robotics and Automation student, I am eager to apply my technical skills and academic knowledge to a challenging internship opportunity. My focus is on learning and contributing to innovative solutions in robotics and automation systems while growing as a professional in a collaborative environment.

WORK EXPERIENCE

MEMBER – ABAJA ROBOTICS INITIATIVES

Saintgits College of Engineering, Kerala **2024 - Present**

- Assisted in the development and optimization of robotics and automation systems.
- Researching, Conducted testing, debugging, and integration of project components.
- Supported documentation and technical Reports for project demonstrations.

HACKATHON FINALIST – INTEL HACKATHON

KPR University, Coimbatore **Nov 2024**

- Contributed to a conceptual robotics solution using OpenCV and Intel oneAPI tools.
- Ranked Top 25 among 300+ teams for innovative problem-solving and technical feasibility.

HACKATHON FINALIST – INTEL HACKATHON

KPR University, Coimbatore **Nov 2024**

- Learned about key self-driving technologies such as LiDAR, Kalman Filters, and Autoware.
- Gained hands-on experience with Docker and ADE in autonomous systems.

EDUCATION

B.TECH. IN ROBOTICS AND AUTOMATION

Saintgits College of Engineering, Kottayam, Kerala **Expected Graduation: 2026**

- Key Areas: Robotics Systems, Automation Technologies, Programming for Robotics, ROS2, etc

SENIOR SECONDARY EDUCATION 12TH

Mary Matha Public School, Pathanamthitta (CBSE) **Graduated: 2022**

- Expected Graduation: 2026

SECONDARY EDUCATION 10TH

Mary Matha Public School, Pathanamthitta (CBSE) **Graduated: 2020**

- Score: 81%

SKILLS AND COMPETENCIES

- Technical Skills: Python, C++, ROS (Melodic/Noetic), OpenCV
- Software & Tools: MATLAB, Docker, Arduino IDE
- Soft Skills: Team Collaboration, Public Speaking, Event Coordination

ACHIEVEMENTS

- Hackathon Finalist: Intel Hackathon, ranked Top 25 among 300+ teams.
- RJ and Anchor: GitWave College Radio.
- Event Organizer: Coordinated and managed technical and cultural events at Saintgits College.

ACHIEVEMENTS:

- Robotics Development and Programming
- Story-Driven Video Games and Subnautica
- Anchoring, Singing, Public Speaking

ACHIEVEMENTS:

- English: Full Professional Proficiency
- Malayalam: Native Speaker
